

Extract from Ruben Restaurant Ltd.'s Privacy Statement and Policy

The purpose of data management is:

In case of booking a table: information about the booking, requesting an ex-post evaluation.

Data management during table reservation:

Following informations are mandatory during reservation: name, e-mail address. Optional data: phone number. The table reservation can only be sent if the User accepts this Privacy Policy and Declaration. If you have entered your e-mail address correctly, you will receive an automatic confirmation email from the table reservation. Subsequently, Ruben Restaurant Ltd. will confirm the reservation by e-mail or telephone to the given address and record the data in its internal use event book. Ruben Restaurant Ltd. uses the data recorded in the events book only for the purpose of organizing the reservations, which will be annulled on 28 February of the year following the booking.

By booking a table, User authorizes Ruben Restaurant Ltd. to send a one-time evaluating e-mail, through the TripAdvisor Travel Portal, after visiting the restaurant. Your TripAdvisor will only use your email address for evaluating emails and the system will ensure that the user receives the invitation only once. Ruben Étterem Ltd. agrees to permanently delete the recorded data about the table reservation after 6 months from its electronic system.
